

YOUR HELP IS NEEDED IN PUERTO RICO

Help families in Puerto Rico recover from Hurricane Maria and prepare for future disasters!

\$20 provides a reusable lifetime **WATER FILTER** for a family (no electricity is needed).

\$15 provides a **SOLAR LAMP** when electricity is not available.

\$250 helps purchase **TOOLS** for doing repairs to homes damaged by Hurricane Maria.

\$300 offsets the cost of utilities and upkeep for **HOUSING VOLUNTEERS** helping to repair homes.

\$500 purchases a **CHAINSAW** that ensures a community has the ability to clear roadways so aid and medical support can reach those in need.

\$1,260 provides a seminary student (disaster survivor) with **TUITION ASSISTANCE** for one semester.

\$1,500 repairs a leaking **CEMENT ROOF**.

\$2,000 repairs a wooden and **METAL ROOF**.
